

IceCore 16x BIB Rack

Complete Installation Solution

Model

☐ ICECORE 15 ☐ ICECORE 30

ICECORE R290 Coolers

In a climate where ecology and economy are critical factors, it is important for the beverage industry to create more efficient products.

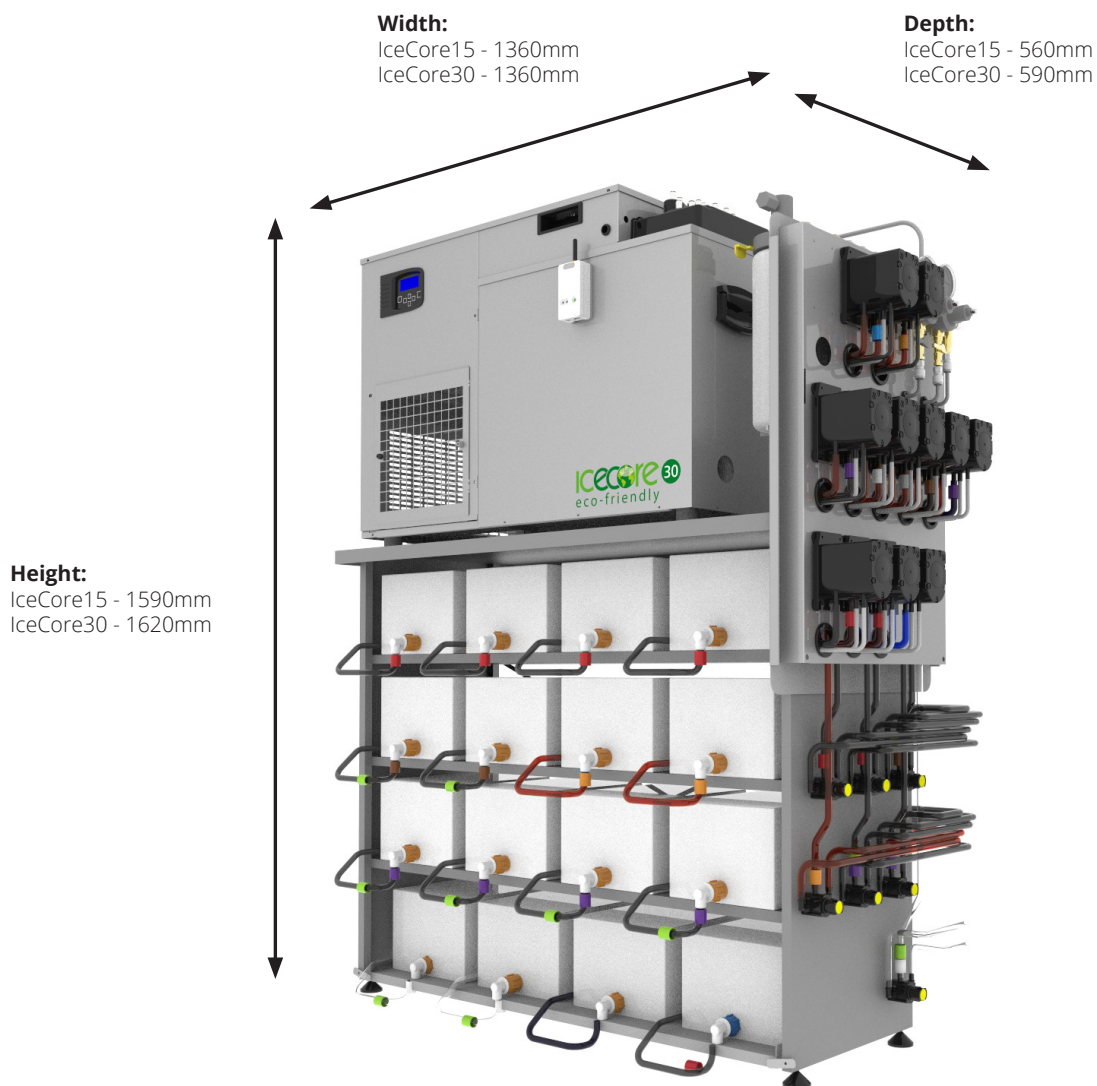

We are dedicated to addressing these issues directly and have developed market-leading cooling and dispense products that optimize performance and lower costs.

ICECORE™ offers dramatic improvements in energy consumption and reliability, with overall lower 'Total Cost of Ownership'.

Features and Benefits

- Standardised Installation
- Space saving ergonomic design
- Integrated syrup, water and gas control panel
- Removable bottom shelf for in situ cleaning
- Integrated water filter mounting position

Complete Install Solution - IceCore 15/30
